

Scavenger Hunt

Virginia Tech Museum of Geosciences

Put a check mark in front of the item when you find it. You may also fill in the blank with information from the label if you like; there *may* be more than one possible "answer" for each blank. Have fun!

1. ___ a purple mineral (not a gem, but a natural crystal) _____
2. ___ a transparent crystal on a black rock _____
3. ___ a black crystal on a white rock _____
